8.10. <i>Political issues</i>	56
1. Accession to the World Trade Organisation	61
2. China, leader in world trade	64
3. The EU continues to be China's main market.....	75
4. Foreign Direct Investment	81
IV. ACCESSING THE CHINESE MARKET. MAIN OPPORTUNITIES AND CHALLENGES	85
1. Main opportunities when accessing the Chinese market.....	86
1.1. <i>China does not want to be the world's factory</i>	86
1.2. <i>China has significantly reduced its tariffs</i>	89
1.3. <i>Chinese consumers love shopping</i>	90
1.4. <i>Chinese consumers love Western trends and brands</i>	93
1.5. <i>Accessing the Chinese market through e-commerce</i>	93
2. Main challenges when accessing the Chinese market.....	103
2.1. <i>"China is for the Chinese"</i>	103
2.2 <i>Difficult legal environment and intellectual property issues</i>	103
2.3 <i>Cultural differences</i>	107
2.4. <i>Uncertainty and ambiguity</i>	112
2.5 <i>Difficulties in accessing talent</i>	113
2.6 <i>The brand "Spain" in China</i>	113

2.7. Difficulties in accessing distribution channels	115
2.8 How to tackle such a vast country?	115
V. SPANISH BUSINESS STRUCTURE	117
1. Spanish businesses, mostly SMEs	117
2. Spanish businesses, mostly in services	121
3. SPANISH BUSINESSES BY GEOGRAPHICAL STRUCTURE	121
4. Main characteristics of SMEs	125
5. Spanish exporting firms	127
6. Spain and its foreign trade deficit with China	132
7. Key success factors when accessing the Chinese market	135
VI. SPANISH BUSINESSES IN CHINA. OUR SURVEY	141
1. Directory of Spanish Businesses in China: objectives of the analysis and methodology	141
2. General picture of Spanish firms established in China	141
2.1 Sector of activity	142
2.2. Location in China	143
2.3. Year of establishment in China	145
2.4 Origin of HQ in Spain	146
2.5. Contact person in China	148
2.6. Objectives in China	149
2.7. The proliferation of Spanish promotion offices in China	150
3. Objectives of our survey and methodology	152
4. Results of our survey	154
4.1. Looking back: Reasons for setting up business in China	154
4.2. Looking back: Difficulties encountered when doing business in China	160
4.3. Looking forward: Priorities of Spanish firms in China for the next three years	164
4.4. Looking forward: Continuity plans and satisfaction levels	166
4.5. Final balance of the Chinese business experience: best practices	169
VII. Conclusions	173
Bibliography	179
